

## One (1) Post Doc position in the project

### “MMMonsters”

#### The first multi-messenger detection of a supermassive black hole binary

*(Call:ERC-2023-STG, Project Number 101117624)*

*Funded under HORIZON ERC Grants - European Research Council (ERC)*

**Funded by  
the European Union**

**Ref. 174388  
Heraklion, 07.04.2025**

The Institute of Astrophysics (IA) of the Foundation for Research and Technology Hellas (FORTH), in the framework of the project MMonsters, (Call: ERC-2023-STG, Proposal number: 101117624) funded under European Union's Horizon Europe Framework Programme for Research and Innovation is seeking to recruit one (1) Postdoc position.

**Title:** Gravitational wave data analysis with a focus on pulsar timing arrays

#### **Job Description**

The postdoctoral researcher will work with Dr Charisi's to advance the goals of MMonsters. MMonsters aims to detect supermassive black hole binaries using electromagnetic (time-domain) and gravitational-wave (PTA) data and the combination of the two.

Within the framework of MMonsters, the postdoctoral researcher will analyze gravitational wave data from pulsar timing arrays and perform simulations to optimize the combination of PTA data with time-domain observations. They will also contribute to preparatory work for the identification of host galaxies of PTA sources.

### Required qualifications

The successful candidate needs to have a Ph.D. degree in Astrophysics or related fields and advanced knowledge of gravitational wave data analysis, in particular in the context of pulsar timing arrays. The aforementioned required qualifications will be judged as follows:

- 1) Scientific publications in high-impact international journals (20%)
- 2) Strong background in PTA data analysis and experience with big GW datasets (30%)
- 3) Experience with electromagnetic observations of supermassive black hole binary candidates (30%)
- 4) Excellent knowledge of English (Proficiency level, 20%)

**Location:** IA - FORTH, Heraklion Crete GREECE

**Start Date:** August 1st, 2025

**Project Duration:** 12 months with possibility of extension according to the needs of the project and availability of funds

**Monthly salary:** 2400-2800 euros (gross), depending on qualifications and experience

### Application Submission

Interested candidates who meet the aforementioned requirements are kindly asked to submit their applications, no later than **April 23, 2025, 23:59am** local Greece time to the address ([info@ia.forth.gr](mailto:info@ia.forth.gr)), with cc to Dr. Maria Charisi ([maria.charisi@ia.forth.gr](mailto:maria.charisi@ia.forth.gr)).

**In order to be considered, the application must include:**

- 1) Application Form (please download file from the job announcement webpage <https://www.ia.forth.gr/employment-opportunities>)
- 2) Brief CV
- 3) A Research Statement summarizing previous experience and plans for the future

**Any application received after the deadline will not be considered for the selection**

### Contact

For information and questions regarding the application and selection procedure, candidates are asked to contact the secretariat ([info@ia.forth.gr](mailto:info@ia.forth.gr)), tel. +30 2810-394200.

For information and questions about the advertised position and the research activity of the group or the institute, please contact Dr. Maria Charisi ([maria.charisi@ia.forth.gr](mailto:maria.charisi@ia.forth.gr)).

### Evaluation procedure

Applications will be evaluated by a three-member evaluation committee. In case of interview procedure, applicants will be invited to participate in person or teleconference.

In case of titles and qualifications awarded by foreign Higher Education Institutions, the provisions of the Law 55/2023 (article 36) and 4957/2022 (article 304) are implemented.

The results of the selection will be announced on the website of IA-FORTH. Applicants have the right to appeal the selection decision, by addressing their written objection to the IA secretariat within five days since the results announcement on the web. Objections are submitted in one of the following ways: in person, by an authorized person, by post, by courier. They also have the right to access (a) the files of the applicants as well as (b) the table of applicants' scores (ranking of applicants results). All the above information related to the selection procedure will be available at the secretariat of IA-FORTH in line with the Hellenic Data Protection Authority. Access to personal data of co-applicants shall be limited to personal data (and relevant data) and supporting documents which have been the basis of the evaluation of the applicants for the specific post(s). Prior to the announcement of the personal data and/or documents of the co-applicants to the applicant, FORTH will inform the data subjects in an appropriate way.

The selected applicants will be notified personally regarding the success of his/her application and will be requested to submit certified copies of his/her degrees. If the submitted documents do not agree with the original application, the applicant will be dismissed.

### GDPR Disclaimer

FORTH is compliant with all legal procedures for the processing of personal data as defined by the Regulation EU/2016/679 on the protection of natural persons with regard to the processing of personal data. FORTH processes the personal data and relevant supporting documents that you have submitted to us. Processing of that data is carried out exclusively for the needs and purposes of this specific call. Such data shall not be transmitted to or communicated to any third party unless required by law.

FORTH retains the above data up to the announcement of the final results of the call, unless further process and reservation is required by law or for purposes of exercise, enforcement, prosecution of certain one's legitimate legal rights' as defined in the Regulation EU/2016/679 and/or in national law. Under the Regulation EU/2016/679 applicants have the rights to be informed about your personal data, access to, rectification and erasure, restrictions of process and objection to as provided by applicable regulation and national laws. We acknowledge also to you, that you have the right to file a complaint to the national Data
